

#### DUVCW Bumper Sticker

To view the bumper sticker on our website, go to <http://goups.yahoo.com/group/duvcw> and click on photos in the left menu; and then on the album DUVCW Council Project. Then click again until you get a large view to read.

You will have time to purchase for yourself or gifts for your Department Conventions. You can even order extras to sell to others and help out the National Department. All proceeds from the National Council project go to support the National Department. The price is \$3.00 each and shipping is \$1.50 for 1-5.

Make check payable to DUVCW National Treasurer with "Council Project" in the memo. Include your name, address, phone number, email and amount ordered and send to: DUVCW Headquarters, 503 South Walnut Street, Springfield, IL 62704-1932.

The National Council appreciates your support ahead of National Convention and will also have the bumper stickers available at our table to purchase at National Convention 2009. You are more than welcome to include this information in your Tent and Departments General Orders.
